

The Holden Arboretum Annual Report 2011

From the Chairman of the Board and the President and CEO

Friends of The Holden Arboretum know that nurturing a garden and helping it grow is a rewarding task, but not always an easy one. For a plant to mature and thrive, it must be planted in the right soil, receive the right amount of light and water, and escape deadly threats such as marauding deer.

Tending to an arboretum is equally rewarding and challenging. The Holden Arboretum needs talented staff members, devoted volunteers and generous donors in order to thrive. In the pages of this annual report, we recognize the volunteers and donors who have risen to your challenging and equally rewarding task.

Your efforts not only help endure, they also help us expand our gardens and impact our greater community. In 2011, we saw work begin on the Rhododendron Discovery Garden, the first new

garden at Holden in nearly 10 years. This garden will enhance the visitor experience and help guests learn more about rhododendrons, the role Northeast Ohio has played in their hybridization and ways for home landscapers to use and care for these beautiful, but sometimes temperamental plants. It is a garden that advances Holden's role as both a place of great beauty and of great purpose. Similarly, our advances in educating school children, protecting forests, training green professionals, curating our tree collections and engaging the public all lay the foundation for an ever brighter future.

We hope you share our excitement as Holden rises to a new level of service, cultivating beautiful and healthy trees, forests and communities. Thank you for your vital support, friendship and partnership.

Albert Fairchild Holden Society

The Albert Fairchild Holden Society was established in 1998 to recognize those individuals whose generosity and foresight supports The Holden Arboretum with either a planned gift (will, trust, insurance, life income arrangement such as an annuity, etc.) or conservation easement. This year we recognize all individuals, those living and deceased, whose philanthropy places them in this distinguished group of donors. Gifts from Members of the Albert Fairchild Holden Society live on in perpetuity and help to ensure the ongoing financial strength and programmatic vitality of Holden. Should you know of anyone whom we have inadvertently missed, please contact Alicia Soss at 440.602.3848 or asoss@holdenarb.org.

The Holden Arboretum is grateful for the generous support of the community. Lack of space prevents our naming all the many friends and members whose support is vital to our daily operations.
