

Activity: Toilet Paper Roll Trees

MATERIALS:

Toilet Paper Rolls

Construction Paper

Scissors

Markers

INSTRUCTIONS:

Make two one-inch cuts opposite each other on top of the tube of TP. Cut out the green construction paper into a “tree top” or cloud-like shape. Wedge the construction paper into the slits on top of the TP roll. Color in fun animals or bark or leaves.

INQUIRY QUESTIONS:

What trees have you seen today? What lives in the trees? What kind of trees do you see when we go for walks? Do you have a favorite tree?
