

## Murch Canopy Walk - Important Information

500 foot long walkway

65 feet above the forest floor

10-15 minute walk from the Visitors Center

I have arrived at the Canopy Walk!  
I should watch my step!

The canopy walk is open to people of all abilities.

I should ask if I need  
noise cancelling headphones  
or a break!

Holden Arboretum Staff  
wear logo shirts and nametags.  
They can help me!

The canopy walk does tend to  
bounce and sway,  
hold on to the rails to stay safe!

While walking on the path  
I can see the  
tree tops and streams!

On my journey I can learn about a woodpecker's tongue!

I had a great time at the  
Canopy Walk.  
Knowing what to expect,  
made my visit fun and easy!
