## CAMP POLICIES AND PROCEDURES

At HF&G, we are committed to providing a safe, inclusive, and respectful environment for all campers, staff, and visitors. Bullying, harassment, discrimination, or any behavior that threatens the physical or emotional safety of others will not be tolerated. This includes verbal, physical, or online actions that intimidate, harm, or exclude others.

Campers are expected to treat others, wildlife, and the natural environment with kindness and respect. Unsafe behaviors—such as rough play, ignoring staff instructions, or misuse of tools and equipment—are strictly prohibited.

Any camper engaging in bullying, harassment, or unsafe conduct will be addressed promptly. Consequences may include a verbal warning, parent/guardian contact, removal from activities, or dismissal from camp, depending on the severity of the behavior.

Our goal is to ensure that every camper has a positive, supportive, and enjoyable experience in nature.

## NOTICES AND REFUNDS

Campers who are dropped off later than 9:15am without prior communication or arrangements will not be able to attend camp for the day.

If your camper is sick or has symptoms of illness, please notify staff and keep them home from camp.

### Cancellation & Refund Policy

If your child is no longer able to attend camp. Please notify HF&G Staff as soon as possible by emails the Summer Camp email (camps@holdenfg.org)

Unenrollment requests at least 2 weeks prior to the start of camp will receive a full refund, minus the non-refundable \$75 deposit. Unenrollment requests less than two weeks prior to the start of camp will receive a 50% refund, minus the non-refundable \$75 deposit. Requests made less than two business days prior to the start of camp will not receive a refund.

No adjustments, refunds, or allowances will be granted for late arrival, dismissal, or withdrawal of a camper, except in cases of severe illness. In situations where a camper is unable to attend due to documented illness, adjustments may be made on a case-by-case basis. All other instances of late arrival, dismissal, or withdrawal, for any reason other than illness, will not be eligible for reduction, refund, or allowance.

## CAMP COMMUNICATIONS

Camp Staff contact participants via emails sent through CampSite, our registration software. In order to receive updates and important information about camps, please ensure all adults responsible for your camper(s) have contact information included in your CampSite profile. Participants will receive reminder emails two (2) weeks and one (1) week before your camp session begins. This email will provide you with all the information you need to feel prepared for the first day of camp. This will include information on:

- Camp dates and times
- Where and when to arrive for Morning Drop-Off and Afternoon Pick-Up
- What to bring and NOT to bring to camp

Similar to the "Welcome to Camp" email, a "Thank You" email will be sent out once your Camp week is complete. The "Thank You" email is to wrap up your Camp experience! We will include a link to our Camp Today blogs (accessible through your Campsite profile) which provides a collection of photos that were taken throughout the week and a post-camp experience survey.
